

Student Assistance - Part-Time, Seasonal

Each season we bring on students to do, well, a bit of everything! Students work in nearly every area of the store from customer service to plant maintenance, pricing to helping with shipping/deliveries and everything in between. In addition to gaining great practical experience, students have the opportunity to learn an incredible amount about home gardening. There is never a dull moment!

Overall, we're looking for someone who:

- Is a self-starter and able to work well both independently and as part of the team
- Is able to organize his/her work and prioritize tasks effectively so that customers are well looked after and product is maintained to the highest quality
- Enjoys working in a quick-paced, interactive environment
- Is neat, tidy, safety conscious and looks out for the well-being of others
- Has exceptional attention to detail and isn't afraid to ask questions (and retain the answers!) so that those details are always looked after
- Has a great sense of humour and willingness to learn
- Is willing to jump in and assist in any area of the organization that needs help, from cart runs to nursery cleanup
- Note: Gardening and cash handling experience is an asset

Position Hours/Wage: This is a part-time, seasonal position with an estimated start date in late February and an end date in late June. Students are typically asked to work one or two afternoons after school and one day of the weekend (one day of the weekend, consistently, is required). Please note, students should be able to start work by 3:15pm on weekdays as most shifts would end by 5:15pm. Wage rate starts at \$17.40 per hour.

If you are an enthusiastic, motivated, customer service oriented student with a willingness to learn, and you feel you meet the requirements listed above, we would love to hear from you! Please complete an application form (available in store or print a copy from our website) and return to the attention of Erin (via email erin@mintergardening.com or it can be dropped off at our office in store). While we thank all applicants for their interest, please note that only those who are selected for an interview will be contacted.
