

Assistant Floral Designer / Floral Customer Service and Sales (One Year Maternity Leave Coverage)

The successful candidate will...

- Sincerely enjoy helping customers, taking the care to understand exactly what it is that they are looking for and providing a first-class service experience overall.
- Work well both independently and with others, from fellow team members to suppliers.
- Have professional experience in floral design, having done: hand-tied bouquets, corsages and boutonnieres, arrangements etc. A minimum of two years' experience is required, and formal floral training is an asset.
- Have superior organizational and time management skills and the ability to multi-task successfully whilst under pressure.
- Be confident and capable working with computers, cash registers and debit terminals and have previous cash-handling experience and a proven track record of accuracy in this area. Our floral team members regularly assist the garden center retail team members in processing customer transactions when it gets busy!

The position will require one week day and at least one day of the weekend. More hours per week may be requested during peak floral events (i.e. Valentine's Day and Mother's Day) and to cover other team-members' vacation times.

If you meet the requirements of this position and feel you would be an asset to our team, we would love to hear from you! Please complete an application form (available in store or print a copy from our website) and return it via one of the methods listed, to the attention of Erin.
